TCV Membership

While the child sponsorship must remain the mainstay of our financial life-line for the basic needs, it is also important that we explore other sources of income to cope with increasing costs and the ever expanding range of activities for children and higher studies. Thus, to diversify and ensure long-term sustainability, we have decided to launch a membership drive, particularly, to enlist support from our co-workers - both past and present, and the large Alumni body. All our friends and interested supporters are also welcome to join. We sincerely hope this campaign for the membership will be successful with your wholehearted cooperation and participation! Thank you for your support!

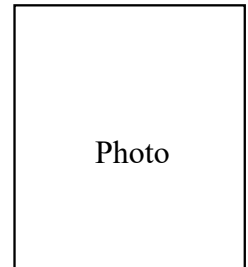

Annual Membership Contribution

Indian sub-continent	Rs. 200/-
Europe and other countries	€10 / US\$15

I would like to become a member of the TIBETAN CHILDREN'S VILLAGE (TCV) and provide the below information:
